alma

In words and pictures

mater

So here's to dear ole Elon,

Faithful and bold;

Here's to her banners of maroon and gold;

Here's to men and women

Who've come and gone,

Singing the victor's song of ole Elon!

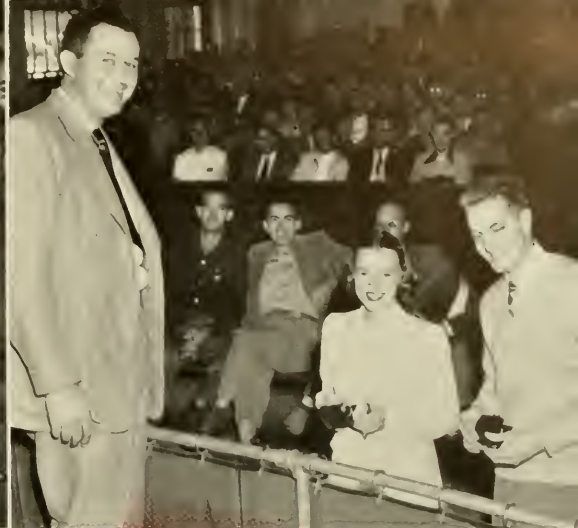

here is our alma mater

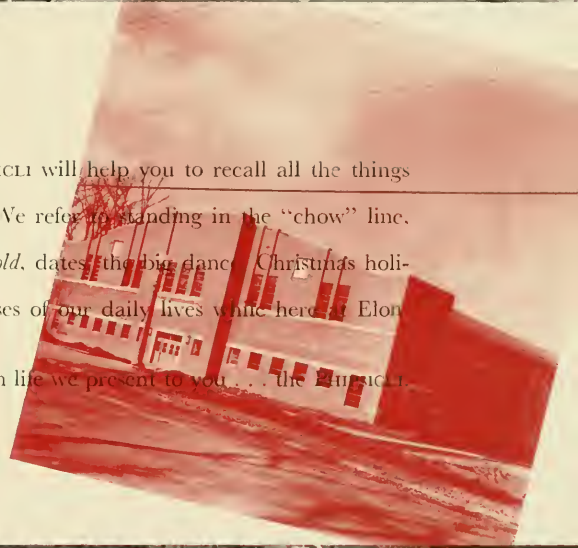

... e the class of '50 enter the final months of our four years at Elon, finding that the thought of leaving her is difficult to face. There have been many times (when we were burning midnight oil, studying for exams) when we wished that our college education was over . . . and yet now that we are faced with that situation we are truly sorry. The memories, friendships, and experiences we have had during these four years have made an impression on us that we will carry the remainder of our lives.

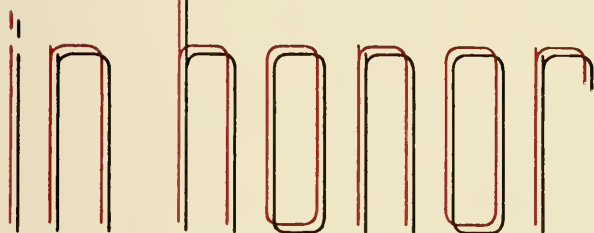

It is our hope that this edition of the PUPSCIL will help you to recall all the things which make up what we call "college life." We refer to standing in the "chow" line, football games, final exams, the *Maroon and Gold*, dates, the big dance, Christmas holidays, summer school, and so many other phases of our daily lives while here at Elon.

With every wish for your continued success in life we present to you . . . the PUPSCIL.

"A Tribute

In Honor

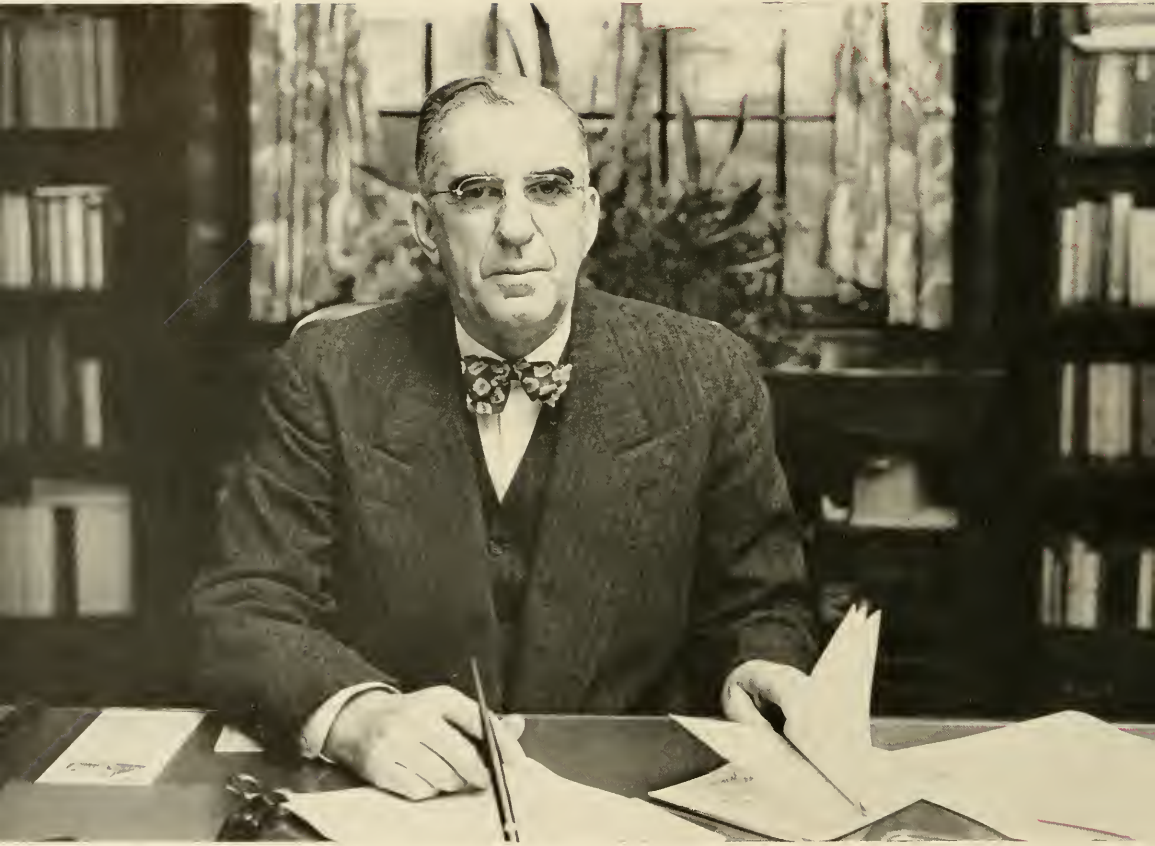

OF
MR. W. CLIFTON ELDER

Mr. W. Clifton Elder of Burlington, N. C., is an industrialist, a civic leader, and a public spirited citizen. Mr. Elder was born in Alamance County, educated in the public schools of the county and at Elon College. He was graduated from Elon College in the Class of 1925. He is a member of the Board of Trustees of Elon College and is one of the original Directors of the Elon College Foundation. He has served as President of The General Alumni Association and took the lead in providing a baseball park for the college. He has been in the forefront of every campaign for the college, giving freely of his time and money for the progress, stability, and efficiency of Elon College.

We, the Class of 1950, take great pleasure in dedicating our college annual to Mr. Elder whom we hold in high esteem.

to a True Friend of our Alma Mater"

Our President

The Class of 1950:

It has been your privilege to be students in Elon College as it begins to move towards greater things. You have seen the curriculum broadened, the faculty increased, the student enrollment reach its highest peak, the Student Government revised and improved, and the Honor System installed which is now beginning to function effectively.

You have seen the new power house completed and in operation. You have seen the gymnasium completed and in use. You have seen a large number of homes for faculty members built and occupied. You have not only seen these improvements but you have helped to make many of them possible. I know that you are proud to have had a part in these evidences of progress in your Alma Mater.

The Administration is proud of you and happy to own you as alumni. We wish for you every possible success in life. God bless you and keep you.

L. E. SMITH,
President.

D. J. BOWDEN

Dean of the College and Dean of Men

To the Class of 1950:

Greetings! In years to come, the ivy-covered colonnades, the new Student Union, Senior Oak, the Elon Grill and dozens of other spots on and about the campus will be unforgettable memories, meaning for you but one thing: "Elon in the good ole days! So let it be. But don't be content with memories! Come back to the campus often, watch it grow; keep alive the "good old days," for Elon will always be your homeland. Sincere best wishes to each of you.

The Administration

SADIE D. LILES

Dean of Women

To the Senior Class of 1950:

I greet you at the beginning of your great career. You are starting a new phase of your life. In it you will learn how to practice your ideals and how to work out your dreams. I wish you success in any field you enter, and pray for you joy and gladness in it all.

JOHN WESTMORELAND, *Professor of Piano and Organ*; A.B., Elon College; M.A., Columbia University and University of Southern California; Conduction Student with Robert Shaw at Berkshire Music Center.

of Elon

Two heads are better than one and many better than two. Once each month the Elon College faculty and administrative staff meets in the office of Dr. Smith to compare notes. If a new way is discovered by one member to facilitate faculty or administrative functions, it is presented at these meetings and adopted or rejected—as the vote goes. Each tributary of college activity is subject to discussion and examination.

*Many Heads
Together*

A faculty member's life is not all work. At irregular intervals members meet for an evening of recreation and fellowship.

Classes of

Today

Last Act—

RICHARD PAINTER
President

Class of Nineteen Fifty

We came through the gates of Elon in the fall of 1946 from many walks of life—some directly from preparatory or high school, many from the armed forces and many from other fields of activity. During the past four years we have worked together in the classroom, on the athletic field, and in our extra-curricular activities.

Graduation

The day that was just a "gleam in our eyes" three years ago is today a reality. As we separate and go our chosen ways in life, we will do so with new friendships, new experiences, and the determination to further our accomplishments in the coming years.

Who's Who

For the annual publication of *Who's Who Among Students in American Universities and Colleges*, ten students were chosen by ballot among faculty members and members of the Student Legislature to represent Elon College. These students were chosen on the basis of scholarship and extra-curricular activities from the Junior and Senior Classes. They have distinguished themselves by their participation in campus activities and have maintained a creditable scholastic average. On the basis of these requirements, the names and activities of these students will be listed in the 1949-1950 edition of *Who's Who Among Students in American Universities and Colleges*.

Seated, left to right: Arthur Fowler, Luther Reece, Claude Manzi.
Standing, left to right: George Stanley, Ira Cutrell, Richard Painter, James Hailey, Harold Williamson, Arthur Mizell, Baxter Twiddy.

Among Students in American Universities and Colleges

BOB OLDHAM
President

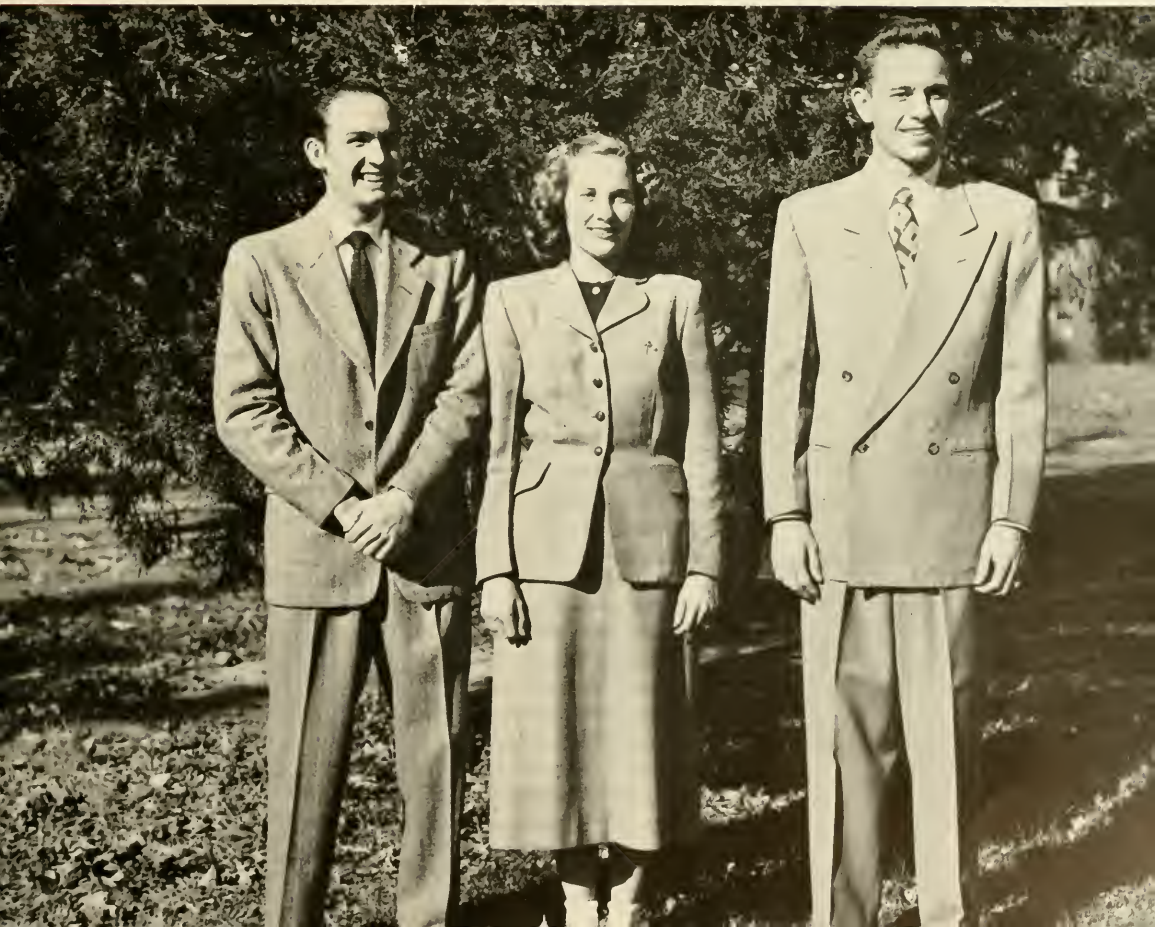

Juniors

As we the Juniors see the dim outline of our goal in the distance, we have a feeling of relief and joy at having passed the half-way mark in our college career.

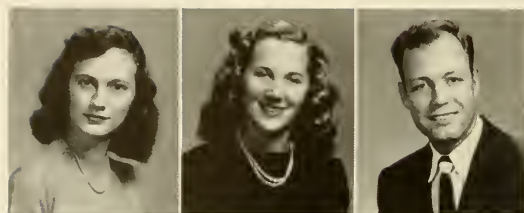

We entered the year with new life and vigor, for with the completion of our required courses, we could work in our respective fields—our majors.

The Turning Point

As the academic year comes to a close, we sense the responsibilities that will be ours when the Seniors graduate, and we face the coming year with certainty that we will be able to cope with any and all situations that may confront us.

President

Sophomores

Although there were times when we seriously doubted that our first year would end and we would become "Superior Sophomores," we exalt the positions we now hold on the campus. As we become more at home here, we are proud that we are accepting responsibilities instead of "being" responsibilities.

The Plot Unfolds

We have begun to explore the various fields of endeavor in order to find our special interest and to guide our pathways in that direction.

It is with keen delight that we seek the knowledge that will label us—Juniors.

Sophomore

First row, left to right:

Abell, Elinore Irene, Box 382, Elon College, N. C.

First Act—

CHARLES JOHNSON
President

Freshmen

We are the greatest in number and enthusiasm. Our first weeks were filled with bewilderment and confusion. Now, however, we have settled down to form what we believe is the best class in college. We have made friendships this year that we will always value, and

The Curtain Rises

as we work and play it is always with an eye toward the future. We realize the road ahead is a long one, but we feel that our accomplishments will be our reward for time well spent.

Ackerman, Harold Joseph, 707 Albany St., Burlington, N. C. Addison, Arthur Downing, 717 Stockley Gardens, Norfolk, Va. Albert, Sonya Ebsen, 21 North Shine St., Orlando, Fla. Albright, Annie Laura, Rt. 1, Mebane, N. C.

ARTHUR FOWLER.....President

ARTHUR MIZELL.....Vice-President

GEORGE SHACKELFORD.....Secretary-Treasurer

This school year has marked the inauguration of a new student government for Elon College. Ours is based primarily on the United States Federal Government.

The Administrative Body consists of a president, vice-president, and a secretary-treasurer. The judicial bodies are the Legislature, of which the vice-president is speaker, a Student Council, an Honor Council, a Men's Interdormitory Council and a Women's Interdormitory Council.

Violators are tried by the proper council which is determined by the nature of the offense. All violators have the right of appeal to the student council.

The student body officers and members of the Legislatures, the Student Council, and the Honor Council are elected by the entire student body.

The Phi Psi Cli

This, your 1950 PHPSICLI, we happily present to you. We hope that you will have as much regard for this book as we have—thus the time spent, the classes missed, the leisure foregone to bring it to you will not have been experienced in vain.

It has taken the coöperation of the students, the faculty, and the photographers and the patience of the engravers and printers to produce your 1950 PHPSICLI. To all those contributing to its pub-

IRA CUTRELL
Editor in Chief

lication we extend our deepest appreciation. In addition, we must not overlook the fine coöperation and aid received from our sponsor, Prof. John Foster West. He came to our assistance when it was needed and words cannot express our gratitude for his advice.

Here it is—your 1950 PHISPCLL. Take it, keep it, enjoy it. May the things you remember be recorded here for your reference and pleasure in coming years. May the things you do not wish to forget be kept alive by the contents of your PHISPCLL.

Maroon

and

What's the news? What's our lead story? What will the make-up be like? These are a few of the questions the *Maroon and Gold* staff ask themselves before each issue. The answers show up when the *Maroon and Gold* is circulated every other Wednesday morning.

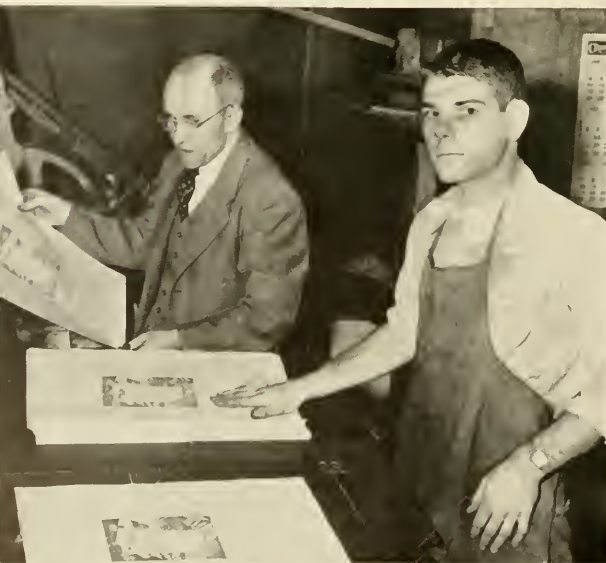

Work on the paper starts slowly with the editorial staff doodling a bit. Soon the wheels in the respective editorial and reportorial minds start grinding; then the linotype machine starts clattering; the type is set in the chase and then put in the bed of the press; the press is started, and its churning rhythm produces the finished pages, along with those pages doomed to be wound around the rollers.

Gold of 1950

When the four pages are finally off the press, they are pounced upon by the staff and critically perused. The inevitable errors which have escaped the scrutiny of the proofreader are heralded with groans, and the issue is stacked for circulation. A few choice copies are placed in a guarded file to be entered in the North Carolina Collegiate Press Association's convention competition in hope of again winning the top honors awarded to last year's *Maroon and Gold*.

This procedure took place every two weeks during the past year in order to put a copy of the *Maroon and Gold* in your hands. We hope you have enjoyed the paper—we have enjoyed working on it.

The Choir

The College Choir, under the direction of John Westmoreland with Fletcher Moore at the organ, is one of the most active college organizations. In addition to its basic function of furnishing music for Sunday church services and week-day chapel, it presents performances of three major oratorios each year, one of these being the annual Christmas rendition of Handel's "The Messiah."

The choir also has a radio program every Sunday from 2:00 to 2:30 P. M. over WBBB, Burlington, and affiliated stations.

OFFICERS

WARREN JOHNSON
President

ANN TRUITT
Vice-President

GENEVA COOPER
Secretary-Treasurer

Other high points in choir activity are off-campus performances, ranging from appearances by soloists and ensembles at various functions all over the state to an ambitious spring tour which has taken the choir as far north as New England.

The choir is composed of both music students and any members of the college student body who enjoy choral music.

Ministerial Association

The Ministerial Association is composed of students who are planning to make a vocation of full-time Christian work, including the ministry, religious education directing, teaching of religion, church music, and other fields of Christian service. Included in the group are several students who hold pastorates in near-by churches.

Emphasis is placed upon building Christian character and understanding the problems confronting the Christian worker. Christian fellowship is enjoyed in the weekly meetings and social activities.

Purpose . . .

The members of the Student Christian Associations belong to an amazing fellowship. They are united with 250,000 students and professors on 750 other American college campuses. We, here at Elon, are a part of the world-wide fellowship of the Y.M.C.A., the Y.W.C.A. and the World's Student Christian Federation. Each member is challenged to live with the following purposes in mind:

Association

1. To unite in the desire to realize full and creative life through a growing knowledge of God.
2. To have a part in making this life possible for all people.
3. To seek to understand Jesus and to follow Him.

" . . . to be of Service to Others"

Household Arts

The Household Arts Club offers student members additional opportunities for the development of leadership, for acquiring a broader view of home economics, for co-ordinating the activities of the department, for rendering service to the college and supporting the State and Federal Home Economics Associations. Club projects include a department exhibit for Homecoming, a tea for women students and faculty, a dinner for Elon College trustees, an exhibit of Christmas decorations, a sunrise breakfast and a dinner party.

PAUL S. REDDISH

Faculty Adviser

Many of the members of the Science Club shall some day distinguish themselves in some field of natural science; medicine, dentistry, chemistry, and radio are only a few of the professions waiting for them.

But many of the Club's members shall busy themselves as business men, clerks, lawyers, teachers, and even as housewives, for the Club is not restricted to science majors alone. The only qualification necessary for memberships is "an interest in natural science."

With guidance from such men as Professor Paul S. Reddish, our faculty adviser, and others every member of the Science Club will find the meetings and activities both inspiring and advantageous.

The Colonnades

Colonnades is the College Magazine. It appears once a year as the medium for the finest creative written work on this campus.

The Elon College Masonic Club was organized on October 12, 1949, by a group of Masons in the college community including both students and faculty members. The club is affiliated with the National League of Masonic Clubs and was granted a charter by it on November 16, 1949.

This is a social fraternity comprised of Masons who have several objectives in view: to instill high ideals and moral values on the campus; to encourage clean scholarship; to provide constructive social opportunities; to promote the general welfare of students; to formulate a better understanding between faculty and students; to inspire clean sportsmanship; and to set an example of living that will contribute to the spiritual life of this college.

Day Students

As time goes on the Day Student Organization of Elon College continues to progress. Participation by the members has greatly increased in such college activities as intramural sports, Student Government and various social affairs.

Elon Players

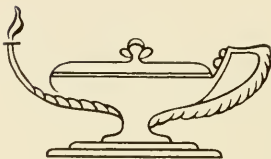

A season with the Elon Players constitutes an all-round experience in stage craft. In order to present four plays and an original all-student musical show, members are apt to find themselves doing everything from learning lines to building and painting sets.

Under the gracious guidance of Mrs. Elizabeth R. Smith, director and adviser of the Players, Elon's Thespians present the finest Broadway plays to enthusiastic audiences in Whitley Auditorium.

Alpha Psi Omega

Alpha Psi Omega is a national honorary dramatic fraternity which has as its purpose the development of dramatic talent and the art of acting, the cultivation of a taste for the best in the drama, and finally the fostering of the cultural values which are developed by dramatics.

Elon College has the Lambda Omicron cast of Alpha Psi Omega on its campus, the membership of which is open to members of the Elon Players who have distinguished themselves in the various phases of dramatic productions.

The fraternity is not intended to take the place of the regular dramatic organization, but as students qualify, they are rewarded by election to membership in this society.

The International Relations Club is the organization on our campus which gives all students and faculty members a chance to participate in discussing ideas on an international level. The goal is to bring about a better understanding of world-wide events and the countries in which they take place.

The club, in its weekly meetings, has had many types of programs to create interest in international affairs. Among the speakers from both on and off campus are those who have a knowledge of some particular country. Other programs include round table discussions, debates, films, and socials. The I.R.C. room, located in the Library Building, contains clippings, pamphlets, books, and maps on international relations for the use of club members and is the regular place for meetings.

Radio Club

The Elon College Amateur Radio Club was organized for the purpose of aiding students in obtaining their "ham ticket," a license issued by the Federal Communication Commission to those who pass the examination. The holder of such a license is granted the privilege of building and operating his own radio station, thus communicating with fellow "hams" all over the world.

Phi Psi Cli

Die Deutsche Runde was reorganized this year, with the efforts of Dr. Konstantinos Avizonis and interested students of German, in order that the students might further their study of the language and acquaint themselves with the customs and traditions of Germany. Authentic movies, recordings, songs and games of Germany provide the amusement for the members of this club at their bi-weekly meetings.

Men's "E" Club

The "E" Men's Club would cease to exist without the American spirit of competitive sports. In this club we find the men who have succeeded in proving their athletic prowess on the courts, gridiron, and on the diamond.

From this club we hope to see the leaders of tomorrow. As one great General said in the last war, "Men's minds and bodies are developed in competitive sports."

The improvement of self eventually to enlighten others is the purpose of the Education Club; this is achieved chiefly through movies, by frequently bringing outstanding educators to the campus, and through various other activities. The club strives to instill in the members a desire for cultivating in themselves the qualities of personality and character which are the foundations of successful teaching.

Can you imagine a football game without cheerleaders and a band? Although you probably can, you must admit that it would be a very poor substitute for the fine performances we have had this year by our band and cheerleaders. The spirit exhibited by these two fine groups this year is one which we are all proud of. To Head Cheerleader Al Godwin and his co-workers Jane Transou, Lacala Wilkins, Jeanne Pittman, and Patsy Milam, we send a hearty "well done."

The band was reorganized this year under the expert direction of Prof. Eugene Jacobowsky, Elon's first full time band director and instrumental instructor. The band has made a fine start this year and will grow as new students join and new equipment is secured. Any student may learn to play a band or orchestral instrument of his choice. Although many students have their own instruments, the college has a number of instruments available for the use of students. The minimum requirements for admission into the band are four hours of conscientious effort, work, and attendance per week. This organization, like an athletic group, requires teamwork and practice to carry out its policy of presenting a good appearance and playing well.

Panvuo Literary Society

Panvuo Literary Society for young women provides opportunity for training and guidance in thinking, speaking, and in parliamentary procedure. It has carried on the activities of various other literary societies which dissolved with the forming of sororities. Regular bi-monthly meetings feature programs of travel talks, book reviews, monologues, poetry, music, critical analysis, and other forms of literary and cultural achievements. An annual formal banquet is held in the spring of each year.

The Varsity Debating group gives those students interested in law and public speaking a chance to express themselves in inter-collegiate competition.

In the past the team has met large and small colleges throughout the state and thus have gained national recognition at the following tournaments:

- (1) The Annual Appalachian Mountain Forensic Tournaments.
- (2) The South Atlantic Forensic Tournaments.
- (3) The Grand National Forensic Tournaments.

Varsity Debaters

WILLIAM STRUHS, *Coach*

The purposes of this club are several: to bring before business administration and secretarial science students, speakers who are prominent in the industrial and academic world; to take field trips into business; and to afford a pleasant means of fraternization on the campus.

The Pan-Hellenic Council is comprised of representatives from each of the sororities and fraternities. Problems concerning those social organizations are brought before this council for group discussion and the suggestions and plans are carried back to the respective organizations by these representatives. This organization initiates many and supports all constructive enterprises undertaken by the student body. Primary responsibility of this council is to keep the individual clubs in harmony and united in their actions.

Resume of Season

The Fighting Christians opened up the 1949 football season with a bang. The Christians defeated a hopelessly outclassed Edenton Marine eleven by the one-sided score of 80-0. This was the highest opening-game score accomplished by any team in the state, and it is also the highest score ever recorded by an Elon College team. No less than eleven Elon backs had a hand in the score column, with Barger and Brigman scoring twice each.

After a successful opening-game rout, the Christians traveled to Wilson, N. C., and defeated a spirited A.C.C. eleven. Led by Barger, Biangardi, Tingley, Grayson, Causey, Melvin and Johnson, the Christians routed the Bulldogs of A.C.C. 33-0. This was the first conference win for the rejuvenated Fighting Christians.

Out of the mountains on Sept. 30 came the Mountaineers of Appalachian State Teachers College to put a halt to the Fighting Christians' two-game winning streak. The Christians were defeated 14-0 by a team that was without victory in its first two games. A hard-charging Christian line led by Johnson, De Simone, and Gero was not enough against this rugged rival. Tingley, Savini, Marshburn, Grayson, and Brigman starred on offense for the Fighting Christian eleven.

The Fighting Christian eleven added E.C.T.C. next to their list of victims, when they traveled to Greenville and defeated the Pirates in their home-coming game 33-7. The Pirates scored first but this lead was short lived when the Maroon and Gold offensive unit started rolling. On defense Gentry, Melvin, Ludwig, De Simone, and Tingley were superb, while on offense the names of Grayson, Brigman, Barger, and Marshburn were very much entrenched in the minds of the followers of the Christian eleven.

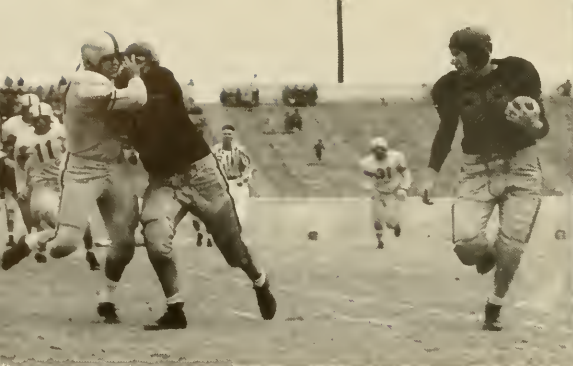

Elon next played host to a tricky Newberry Indian eleven led by Little all-American Hank Witt, at Burlington Stadium. This was by far one of the outstanding games on the Christian schedule. The Christian line led by Gero, De Simone and Gentry on defense constantly rushed the Newberry Ace. Starring on offense in the 26-12 victory were Brigman, Reece, Marshburn, Grayson, Johnson, Savini and Barger. The offensive forward wall led by Manzi, Moffo and Ellis opened up holes repeatedly for the elusive Christian back-field.

Revenge was sweet at Salisbury when the Fighting Christians finally overcame an eight-year-old jinx and defeated their ancient rival, the Catawba Indians, 20-13. A hard-charging defensive line led by Melvin, De Simone, Ludwig and Causey finally brought home victory from the Indian home-coming game. Offensively Erickson, Biangardi, Barger, Tingley, Grayson, Brigman, Manzi, and Ellis were nothing short of sensational.

By now the Christian eleven was well known as home-coming spoilers. Everyone who made the trip to Norfolk had a hand in the 41-0 rout of the Apprentice School eleven. To mention all that

Highest Scoring Team in the South

starred in this affair would be impossible. Everyone on the squad played well; some of those who had a hand in the victory are Reid, Marshburn, Renn, Johnson, Reece, Butler and Brigman.

The Fighting Christians, after spoiling the home-coming of three of their opponents, had a home-coming of their own. On Friday, Nov. 4, the Christians entertained the Panthers of High Point College. The home-coming alumni saw the Christians win their fifth straight contest by the score of 21-7. Superb blocking by the offensive team enabled Barger, Biangardi, Brigman, Reece, Grayson, Erickson and company to penetrate the Panther defense at will. Defensively Hank De Simone was at his best. Hank blocked and recovered a Panther punt on their nine yard line that set up the third touchdown.

After winning five straight games, the Christian offensive for the second time during the season sputtered. The Bears of Lenoir Rhyne College defeated the Maroon and Gold aggregation at Hickory 19-7. The Christians had many scoring opportunities but could not get up enough steam to out score their worthy opponent. Lou Rochelli made his debut from the Jayvees and was outstanding along with Erickson, Tingley, Gentry and Melvin.

The student body of Elon went home for a turkey dinner on Thanksgiving Day. The football team stayed behind to make turkey of the Guilford College Quakers by the score of 33-0. A heavy forward wall led by Gero, Gentry, Melvin, and Company smashed the Quaker offense unmercifully all day. Touchdowns were scored by Barger, Erickson, Johnson, Marshburn, and Tingley. This was also a farewell to college competition for Manzi, Gentry, Melvin, Causey, Savini, Hardy, Perry and Reece, who had played four years of brilliant football for the Fighting Christians.

Salute: to the Offensive Unit.

With the instituting of the two team platoon system, it is impossible to give recognition to all. The offensive unit was outstanding all season long with a mixture of veterans and first year men. Manzi, Causey, Renn, Melvin, Gentry, Ellis, Elkins, Johnson, Moffo, Hardy, and Ludwig were the boys in the forward wall that made it possible for the Fighting Christians seat backs to move the ball effectively through a highly successful season.

With the bringing down of the curtain on the 1949 season, we salute Claude Manzi, winner of the Most Valuable Player award and All-Conference guard in 1947, A tribute to Claude Gentry, the Most Valuable Player of 1948 and an All-Conference End in 1949. An orchid to Arnold "Brute" Melvin, Most Valuable Player for 1949 and All-Conference Tackle; we give special recognition to this great player for making Third String Little all-American. To these men we say thanks for a job well done.

Basketball

The Fighting Christian basketball team opened up the 1949-1950 season under the direction of a new coach, Doc Mathis. During the entire season the going was tough for the Christians, since many of them were unseasoned ball players. Although they had lost some heartbreaking games in their new home gym, the Christians went into the North State Conference Basketball Tournament as a

Coach Mathis, Captain Ed Drew

Cooper
Kampman
Mondy

Gane
Rakes
Haithcox

dark horse and pulled off the surprise of the year by winning second place honors. The team is made up mostly of first year men and a few veterans who still have a few

more years of varsity play left. With the present team as a nucleus, the Christians should do themselves proud on the hardwood in the near future.

TOURNAMENT RECORD

Baseball

In 1949 the Fighting Christians' Baseball Team won its first Pennant since the war. The last time the team was victorious and won the Conference Pennant was in 1941. Ellis, Walker, Andrews, DeSimone, York, and Matze were the nucleus around which Coach Mallory built his winning ball team. Elon won 13 out of 15 Conference games and had an over all record of 20-5 for the season. This was the best record of the Christian aggregation since the 1941 Pennant team.

*First Score Elon

The pitching staff was headed by Jack Andrews, C. K. Siler and Bill Anderson. With the addition of Lefty Taylor, Larry Gaither and Art Fowler the Christians had a well rounded staff with youth and experience. The play of the infield was superb, with Gene Stewart at first, Co-Captain Steve Walker at second, Nelville Cooper at short-stop and Co-Captain Ed Ellis at the hot corner. Hank DeSimone and Bill Matze bore the brunt of the catching assignments. The outfield was headed by veteran Dick York in center field, Bill Anderson in right field, and newcomer Wayne Philips in left field.

Girl Sports

The intramural sports program for the young women of Elon consists of the following sports which are in the order that they are played throughout the school year. In the fall they play field hockey, volleyball and participate in marching. During the winter months the girls go indoors to the gym and play basketball, volleyball, table tennis and badminton. With

the coming of warm weather the young ladies again take to the outdoors for softball and tennis; they also sharpen their eyesight by taking part in archery. The intramural sports program is well diversified to acquaint the young women of the college with all phases of the world of sports, and at the same time it gives them the opportunity to take part in the program.

All-Campus Stars
of 1949

Intra

South Dorm-
Touch Football
Champs

The intramural sports program is designed to give all the young men on the campus a chance to participate in the sport of their choice. All those who are not fortunate enough to make the grade with the varsity sports program are welcomed and given the opportunity to take part in a well planned program with their fellow students. In the fall touch football is stressed with all dormitories and fraternal organizations participating. In the winter volley ball, table tennis

intramurals

Intramural Council

and basketball share the spotlight. With the coming of warm weather softball is kingpin and competition is very keen. The Intramural Council, with representation from all organizations and dormitories on the campus, is the governing body that lays down the rules and regulations concerning all phases of the intramural sports program. At the end of the school year trophies are awarded to the organization or dormitory that accumulates the most points in all sports during the year.
